<tbody>
<tr>
<td>Description of the service</td>
<td>BBMRI-ERIC AAI is a common authentication and authorization infrastructure to services provided by BBMRI-ERIC, which facilitates access to the human biological samples and data. BBMRI-ERIC AAI performs authentication of BBMRI-ERIC users and delivers their attributes (such as group membership and other personal data) necessary for authorization decisions to be done by BBMRI-ERIC services relying on it.</td>
</tr>
<tr>
<td>Data controller and a contact person</td>
<td>BBMRI-ERIC assoc. prof. Petr Holub, Ph.D., <a href="mailto:petr.holub@bbmri-eric.eu">petr.holub@bbmri-eric.eu</a></td>
</tr>
<tr>
<td>Jurisdiction</td>
<td>AT – Austria</td>
</tr>

</table>
| Processed personal data | BBMRI-ERIC collects the following personal data:  
- your name,  
- your email address,  
- your membership in the groups you are affiliated with within BBMRI-ERIC,  
- your external identifiers provided by your identity provider.  
When using another identity provider together with BBMRI-ERIC AAI (e.g., your home organization, Google, Facebook, LinkedIn), the following data is retrieved:  
- your user identifier unique within this service,  
- name of your home organization,  
- your role in your home organization (if applicable – e.g., faculty member, staff, student),  
- optionally your name,  
- optionally your email address. |
| Purpose of the processing of personal data | BBMRI-ERIC AAI processes your personal data to identify and authenticate you as a user of BBMRI-ERIC services and provide sufficient attributes for these services to decide whether you are authorized to access these. The attributes are managed as a part of the BBMRI-ERIC AAI. |
The log files produced by the BBMRI-ERIC AAI components will be used only for administrative, operational, accounting, monitoring and security purposes.

**Third parties to whom personal data is disclosed**

As a gateway to BBMRI-ERIC services, BBMRI-ERIC AAI will release your personal data to the BBMRI-ERIC services you are using. Data release will be done according to the sections 2.f and 2.l of the Data Protection Code of Conduct\(^1\). The current listing of associated BBMRI-ERIC services is available at [https://perun.bbmri-eric.eu/services](https://perun.bbmri-eric.eu/services).

You agree that the logged information may be disclosed to other authorized participants via secured mechanisms, only for the same purposes and only as far as necessary to provide the services.

**How to access, rectify and delete the personal data**

Go to the page [https://perun.bbmri-eric.eu/profile/](https://perun.bbmri-eric.eu/profile/) or contact the contact person above. To rectify the data released by your home organization, contact your home organization’s IT helpdesk.

**Data retention**

Your personal data is deleted on request or if you have not logged in to BBMRI-ERIC AAI for 24 months. The operational logs and related information is kept independently in order to guarantee the security of the infrastructure and its optimization.

**Data Protection Code of Conduct**

Your personal data will be protected according to the Code of Conduct for Service Providers\(^1\), a common standard for the research and higher education sector to protect your privacy.
